

## KPMG Norway is looking for new talent!

KPMG is now seeking graduates within MSc in Industrial Engineering and management who will be graduating in the spring/summer of 2012 and who wish to participate to help build the best advisory environment in Norway.

We can offer unique career opportunities, challenging and stimulating work and a stimulating and social environment. Your development curve with us will be steep, both professionally and personally.

We are looking for you who have the ability to be the best when it is required the most and who likes to go the extra mile to satisfy our customers. We emphasize that you are committed and dedicated to meet our customers' challenges with customized solutions.

Use our online application form and upload your CV, cover letter and transcript on our online recruitment tool, no later than **29th of February**. We look forward to hearing from you!
